A draft resolution (L-302) by the Legal Division denying the Public Records Act requests of John E. Public necessity requires that the 30-day comment period of Public Utilities Code Section 311(g) be reduced so that the Commission may collect the revenues as set forth in this resolution as soon as possible. The Commission concludes that a reduction in the 30-day review period by 2 days will not compromise the public interest or any party's rights. Accordingly we reduce the comment period for this resolution from 30 days to 28 days. Parties who wish to file comments on this resolution may do so no later than November 19, 2002.
